“God is Never Late; He’s Seldom Early; He’s Always Right on Time” Fun & Faith Group Fall 2011 Syllabus

Welcome to the Fall 2011 Fun & Faith Group session. This group will meet every Wednesday night at 7pm beginning on September 21st and go until November 16th .

We will be working through the book “God is Never Late; He’s Seldom Early; He’s Always Right on Time” by Stan Toler. The goal of this study is to provide a life change in the way that our mind works and steer away from constant control in our lives. Even though we may think we have given everything over to God to control, have we? I mean really? We are going to work through this process and grow in Christ! During the week, you will have reading homework to do before the next session. (**REMINDER: Do NOT let the fact that you were unable to do the reading for the week to hinder you from attending the group. There will be times where you will get more out of the discussion from others than you will have gotten from the book and vice versa. However, please do your best to do the reading so that the discussion can be more in-depth.)
